### **REASONS FOR ALLOWANCE**

1. Claims 1-12 are allowed over the prior art of record.
2. The following is an examiner's statement of reasons for allowance:

The primary reason for allowance of claims 1, 6, 9 and their extended claims is the claimed subject matter regarding "an arithmetic-logic unit coupled with said analog/digital converter and said pulsator, wherein the arithmetic-logic unit comprises a non-linear actuator model by means of which the temporal curve of force exerted on the fuel injection valve is determined from which the gradient of the drop-off in force after a force maximum is determined from which a threshold value is derived, and a comparator receiving the gradient determined for each pre- or post-injection and the threshold value stored in the storage unit for comparison, wherein a parameter correction is integrated in the comparator that corrects the signal parameters according to the result of the comparison" which the prior art references did not disclose.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
